STUDENT BURSARY FUND AWARD APPLICATION FORM

PURPOSE

Members of the BC History of Nursing Society pursuing undergraduate or graduate studies in historical aspects of nursing in BC are eligible for financial assistance to undertake a project or study that will add to the rich heritage of BC Nursing History. Students may apply from any academic discipline.

GUIDELINES

Bursaries may be awarded twice yearly. The project or study can be:

- An understudied aspect of BC nursing history
- Preparation of a nursing biography
- Collection and documentation of oral histories of nurses
- Preparation of historical nursing materials for display and educational purposes
- Other historical projects or studies involving BC nursing history.

SELECTION PROCESS

Application forms can be submitted for consideration for March 31 or November 30 deadlines. Applicants must be members of the BC History of Nursing Society and agree to share their project in some form with the BCHNS. If the project was completed and resulted in a paper or publication while enrolled in the program, it may be included in the application.

Students may sign up for new membership at any time or as part of this application.

The Awards Committee recommends the amount of the award, which is discussed with the BCHNS Board based on merit and the funds available.
